Subject: Microsoft should do this

Hallo,
I believe that microsoft should do these next things:

Microsoft should give money to schools. money, not products, money!
about 50% of its years income for 5 or 10 years.
Microsoft should give money to apple for stealing ideas in the os. (for
the last 10 years).
Microsoft should give money to the open source companys.(companys that
Microsoft dose not own).
Microsoft should pay a fine of about 70% of its year income.
Microsoft should give money to support advretising other softwer companys.

thank you.
